### HONORARY CHAIRMAN OF THE 2015 COMBINED FEDERAL CAMPAIGN JOHN O. BRENNAN Director, Central Intelligence Agency

The Honorable John Brennan, Director of the CIA addresses the 2015 Loaned Executives during their August CFC training.

*“Quite frankly, CFC is important because lives are on the line,” Director Brennan said, acknowledging the critical assistance that CFC-participating charities provide to the community, the nation, and the world. He encouraged CFC volunteers to “seize the opportunity” to make the 2015 Campaign a success.*

**“You give but little when you give of your possessions. It is when you give of yourself that you truly give.”**

#### This year’s awesome Campaign Managers!

As a Campaign Manager or Coordinator, you will support more than 20,000 charities that offer life-enriching and life-saving programs in the DC Metropolitan Area, across our great nation, and around the world.

~Mr. John Brennan~

September 1st began the 2015 CFC Campaign. Last year the Department of the Navy was the only Service that reached its 2014 goal. Not only did we reach our goal but we exceeded it by \$250K! This year, with your help, our expectations are to beat last year’s goal by the time the campaign ends on December 15th.

#### Dates-to-Remember

- 16 Sep: DON CFC Kick-Off, Pentagon Hall of Heros from 1000-1100
- 30 Sep - 2 Oct: DoD Pentagon CFC Charity Fair, 2nd floor, Apex 9/10 from 1000 to 1300
- 28-30 Oct: DoD Pentagon CFC Charity Fair, 2nd floor, Apex 9/10 from 1000 to 1300

The fall 2015 Combined Federal Campaign is the second time that federal employees nationwide can designate to any local organization qualified for the Combined Federal Campaign (CFC). Previously, the campaign regulations restricted giving only to local charities serving people in the location of their permanent duty station. This means if you have a favorite CFC-approved charity in your hometown or another location beyond where you have lived or worked, employees can now give to those organizations in addition to the normal local charity listing. All campaign regions are offering donors the opportunity to give through Universal Giving?the ability to donate to any national, international, or local charity not denied participation in the CFC.
