MEMORANDUM FOR SECRETARIES OF THE MILITARY DEPARTMENTS
COMMANDANT OF THE COAST GUARD

SUBJECT: Certification of Honorable Service for Members of the Selected Reserve of the Ready Reserve and Members of the Active Components of the Military or Naval Forces for Purposes of Naturalization

This memorandum provides formal guidance regarding the certification of honorable service of members of the Selected Reserve of the Ready Reserve and members of the active components of the military or naval forces of the United States for the purpose of supporting Service Member applications for naturalization under section 1440 of Title 8, U.S. Code.

This guidance is effective immediately.

Background:

Federal law affords certain Service Members a statutory exception to certain naturalization requirements otherwise applicable to them, providing a much-expedited path to U.S. citizenship. To qualify for this exception, a Service Member must serve honorably during a period that the President designates, by Executive Order, as one in which the Armed Forces of the United States are or were engaged in military operations involving armed conflict with a hostile foreign force. By Executive Order 13269, dated July 3, 2002, the President designated the period of the war against terrorists of global reach, beginning September 11, 2001, as such a period. Accordingly, military service during this period may permit certain Service Members to avail themselves of a statutory exception. Once the Department of Defense certifies a member’s service as honorable, the U.S. Citizenship and Immigration Services (USCIS) completes the citizenship process.

USCIS Form N-400, Application for Naturalization, initiates the naturalization process. USCIS Form N-426, Request for Certification of Military or Naval Service, is a necessary and indispensable part of the military naturalization application process. The USCIS Form N-426 records the determination of the Military Department as to whether a Service Member has served honorably. An individual seeking citizenship based on military service must submit a completed original USCIS Form N-426. Subject to, and in accordance with, the provisions in this memorandum, the Military Department concerned will determine whether a Service Member is serving or has served honorably, and as applicable, whether separation from such service was under honorable conditions. The Secretary of the Military Department concerned will make the certification. The Secretary may delegate this certification authority, in writing or by regulation, to a commissioned officer serving in the pay grade of O-6 or higher. None of the standards set forth herein as applicable to certifications of honorable service create or imply the creation of a residency or physical presence requirement for the purpose of naturalization pursuant to 8 U.S. Code § 1440.
SECTION I.

Standards and Procedures Applicable to Cases in which the Date of the Member’s Enlistment or Accession was On or After the Date of this Memorandum.
